STEVE MACKAY - "The Prisoner"
U.S.S. - "Sevad KooH"
split 7"

The premier offering in the Projekt Polyglot series brings the debut singles from their first full length cds. Steve Mackay of Iggy and the Stooges, blasts his unique brand of sax for his 3rd solo record. On "The Prisoner" he invites some of his band mates along for the ride on a brooding dirge of a track. Mackay also leads the attack on "Sevad KooH" from the Portuguese/American collaboration known as U.S.S. from their album "Machine Gun".
